

VIRTUAL VOLUNTEER OPPORTUNITIES

Our new Virtual Program helps our volunteers maximize their impact!

Instead of hosting an in-person workshop for residents at one site, our new virtual workshops maximize your reach, benefiting our residents throughout the state of California!

VIRTUAL VOLUNTEER WORKSHOPS

We are looking for volunteers who have an area of expertise that they would like to share with our tenants to facilitate life skills, promote meaningful daily activity, and bring fun activities to our sites!

Workshop Examples Might Include:

Health & Wellness (*Yoga, Meditation, Nutrition*)

Life Skills (*Budgeting, Resume Building, Cooking*)

Art & Music (*Arts & Crafts, Journaling, Book Club*)

Family Activities (*Storytelling, Tutoring, STEM Projects*)

Workshop Guidelines

- All workshops will be held over Zoom
- Workshops can be scheduled as a one-time event, or as regular weekly or monthly sessions.
- Please plan your curriculum content for a 20 min or 50-minute workshop session.
- Any workshops that require physical materials will need to be supported by in-kind donations, or a monetary sponsorship to ensure that all clients will have the opportunity to participate.

Planning for Your Workshop

Each of our sites post a monthly activity calendar. Volunteer workshops will be added to the calendar and staff will share the workshop flyer with their communities the month prior to the session.

- We ask for volunteers to submit workshop curriculum at least one month in advance of workshop date.
- Our volunteer team will set up a time to meet with you in advance to review your workshop curriculum, discuss client ethics and boundaries guidelines, prepare for technical logistics and help you prepare for what you might expect during your session.
